

Our Industrial Division offers equipment and services for compressed air, natural gas, nitrogen generation, and fluid pumping requirements.

Air & Gas Equipment and Accessories

Energy-efficient oil free air compressors, oil flooded compressors, oil less compressors

Reciprocating air compressors

Portable air compressors

Explosion-proof air compressors & gas generators

Gas Compression Equipment & Boosting Systems

Quick installation air, gas, & nitrogen piping assemblies

Vacuum pumps, blowers, & controllers

Custom-Fabricated, complete outdoor air compressor cabinets

Compressed air treatment & monitoring solutions

Nitrogen Generation Systems, air treatment & filtration equipment

Engineered-to-order vessel designs, and pressure vessel solutions

Pressurized containers for propane, compressed air & gas

Compressed air & vacuum system monitoring & automation equipment

Fluid Handling Equipment, Parts, & Accessories

Vane, gear, & centrifugal pumps for transfer of liquid, gas, & chemicals

Durable Air-Operated Double Diaphragm Pumps (AODD)

End-suction, self-priming, & ANSI process pumps

Rubber-lined & high-chrome pumps for abrasive slurry applications

Mechanical seals for every application, Industrial Lubricants, Packing, & Cloud monitoring software solutions for pumps

Hydraulic, mechanical, & solenoid-actuated diaphragm-metering pumps

Peristaltic Hose Pumps for abrasive, corrosive, & slurry applications

Eccentric Disc pumps for chemical, sanitary, & industrial applications

Air-Operated Double Diaphragm (AODD) Pumps

Highly-Engineered AODD pumps for high-purity chemical applications

Horizontal, Vertical, Self-Priming, Vortex, Cantilever pumps

Vertical turbine pumps for municipal applications

Vertical or horizontal, multistage, close-coupled pumps

Rotary gear & automatic reversing vane pumps

Vertical cantilever, submersible, & slurry pumps

Engineered Fire Pump Solutions

Gear & centrifugal pumps in bronze, stainless steel, & plastic

End-suction & self-priming centrifugal pumps

Industrial Process Pumps for temperatures up to 850° F

Non-Metallic, corrosive resistant process pumps

Thermoplastic chemical sump pumps & mag-drive self-priming pumps

Gear Pumps, Progressive Cavity Pumps, & Flow Dividers

Regenerative turbine & centrifugal pumps

Grinder, Progressive Cavity, Screw, and Rotary Lobe Pumps

Pumps, mixers, & engineered systems for sanitary abrasive & corrosive applications

Centrifugal pumps for water management, & buildings for Industrial applications

Vertical Turbine, end-suction, split-case centrifugal, & sump pumps

Industrial Equipment Service

Maintenance

- Customizable Service Agreements
- Compressed Air Audits, Oil Testing, & System Analysis
- On-site Equipment Training

Repairs

- Upgrades, Retrofits, & Repairs
- In-House Pump Shop in Portland, OR & Everett, WA
- 24/7 Emergency Service Support
- Laser Alignment
- Vibration Analysis

Fabrications

- System Engineering Assessment
- Complete Packaged Systems
- Custom Fabrication Capabilities

Installations

- Equipment Start-Up Assistance
- Compressor, Piping, & System Installation
- Efficiency surveys for Oregon Energy Trust Incentive Program

Scan to schedule your next service appointment, or call 1-866-577-2755

Bulk Loading & Ancillary Transfer Equipment

Bulk loading & unloading solutions for safe transfer of hazardous products

Critical safety equipment for operations and truck & railcar loading & unloading

Industrial & chemical storage tanks, bins, & containers

Liquid Flow Meters, Flow Monitors, Sensors & Control Equipment

Manual Rewind, hand crank, spring rewind, electric rewind, air & hydraulic reels

Manual Rewind, hand crank, spring rewind, electric rewind, air & hydraulic reels

Automated Lubrication Systems

Flow meters & accessories, electronic registers

Flow Meters, Electronic Registers, Mechanical Registers, Printers, & Rebuilt Meters

Pressure & safety relief valves

Valves, fittings, & couplings for sanitary and oil & gas applications

Couplings, Fittings, & Hose Management Solutions

Metal, plastic, & composite hoses for Industrial & Chemical applications

Hoses for air & gas, fluid, and chemical transfer; water hoses, welding hoses

Electrical Components

Operating mechanisms, insulation parts, & cooling systems to OEMs

Electric motors, drives, & components

Electrical Motors, Sustainable Motors, Drivers, & Controllers

AC & DC Motors, Large Induction Motors, Synchronous Motors

Carbon brushes & collectors, brush holders, slip rings, & linear transfer systems

Counters, encoders, & codings

Encoder Communication Drivers

Gear Reducers & Drive Electronics

Electrical panels & liquid level controls

Carbon brushes, brush holders, spring assemblies, shaft grounding, specialty carbons
